[Verse 1]
Em                 D                G
   Tell me somethin' girl

C                                        G
   Are you happy in this modern
   D
 world?

Em                 D                G
      Or do you need more

C
Is there somethin' else you're
 G                 D
 searchin' for?
```

```
[Refrain]
Em    D    G
I'm falling

C
 In all the good times

   G            D                   Em      D
I find myself longing                       for
 G
 change

C                                        G
 And in the bad times I fear
    D
 myself
```

```
[Verse 2]
Em                 D                G
Tell me something boy

C                                          G
Aren't you tired tryin' to fill
       D
 that void?

Em        D                  G
Or do you need more

C                                      G
Ain't it hard keepin' it so
     D
 hardcore?
```

```
[Chorus]
Am
I'm off the deep end

D
Watch as I dive in

 G                    D             Em
I'll never meet the ground

Am
Crash through the surface

D
Where they can't hurt us

           G                       D           Em
We're far from the shallow now
```

```
[Bridge]
Am                D
   In the sha-ha-sha-ha-low

G          D        Em

Am                D
